

**GOVERNMENT COLLEGE OF ENGINEERING,
BODINAYAKKANUR – 625582
INNOVATION CELL & ARIIA
SMART INDIA HACKATHON (SIH) 2025**

Date: 24/09/2025

CIRCULAR

The Ministry of Education (MoE), Government of India is conducting the Smart India Hackathon 2025, an idea generation platform where students can work on problem statements across various domains. As part of the selection process, an Internal Hackathon will be conducted on 26th September, 2025 at our institution in their respective Departments. The shortlisted teams from this event will represent the college in the forthcoming SIH (2025).

Eligible participants:

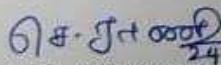

- Students from I, II, III, and IV Year of all branches.

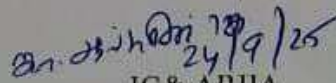

Each department is required to nominate a minimum of 5 teams on 25th September 2025. The format for final nominated teams are attached herewith. Students are encouraged to visit the official portal www.sih.gov.in for guidelines, problem statements, and further details. All interested students are requested to coordinate with their respective departments and ensure timely submission of nominations.

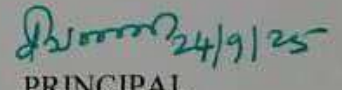

S.No	Department Coordinator	Designation
